May Day

International Worker's Day, Labour Day

In Romania, In Italy, In Europe and in the whole world.....

1st of May: Labour Day, it is celebrated each year to remember the union engagements and the workers accomplished objectives in the social and economical areas. Labour day it is celebrated almost all over the world.

Workers's Day comemorates workers fight for legiferation of 8 hours per day working program. This law was approved in 1866 in Illinois.

The origins of **May Day** celebration arowses from a parade organised by the Work Knights in New York on 5th of September 1882. Two years later, in 1884, during another Labor Day ceremony, the Work Knights established that this anniversary has to be at fixed date and such they coosed for this **1st of May**.

To all those who will choose our restaurant on this occasion, the management of Isoletta Restaurant will offer a **discount bonus at a value of 40 lei**, which may be used in the future to buy drinks (water, wine, refreshments etc.)Tuturor celor care vor alege restaurantul nostru cu aceasta ocazie,

Salvatore, Antonio, Bianca, Ramona Badescu, , Viorel, Aura, cooks: Domenico and Dragos and all the staff of Isoletta Restaurant
